Mini-Circuits' standard terms and conditions apply to this Quote. A copy of these terms and conditions are available upon request and are located on the reverse side of Mini-Circuits' invoices, which terms include a standard limited warranty and disclaimers of other warranties and limitation of liability provisions. To the extent this Quote conflicts with Mini-Circuits standard terms and conditions, the standard terms and conditons will control.

Your company may reschedule a release of parts contained within an order provided Mini-Circuits receives written notice of your company's intention to do so at least fifteen (15) days prior to the scheduled shipment date, as specified in Mini-Circuits' records, for the parts that are the subject of the rescheduling request. Unless Mini-Circuits otherwise agree in writing, the maximum delay in shipment of any rescheduled release of parts is ninety (90) days from the original shipment date, as specified in Mini-Circuits' records. Your company shall not have the right to reschedule any particular release of parts more than two (2) times. Notwithstanding anything to the contrary contained herein, (i) once a release of parts is expedited at your company's request, the parts subject to that release may not be rescheduled; or (ii) once a release of parts is rescheduled the parts subject to that release may not be cancelled. If your company fails to comply with any aspect of this rescheduling procedure for a particular release of parts, your company shall promptly pay a "Cancellation Fee" equal to the total price of the parts subject to that release.

When placing your order, please advise your in-house requirements. Delivery quoted is shipping time from the factory and not date of in-house receipt of order.

If you have any information suggesting that the commodities of this proposed order will be used in the design, development, production or use of nuclear, chemical or biological weapons or ballistic missiles or in a facility engaged in such activities then it requires prior authorization/ export license from U.S. Dept. of Commerce, Office Export Licensing, Washington, D.C., and you are strongly urged to notify us with the details in advance.

We can accept the following cards for payment:- Switch, Delta, Mastercard, Visa, Eurocard or American Express (Add 3% for American Express)

If prepayment is not received within 60 days of the ship date, your order will be subject to cancellation from our system. The order may be placed again at a future date when payment is available.

This quote is not applicable for distribution in the following Embargo/ Restricted countries and/or any entity on the U. S. Dept. of Commerce denials list: Iran, Iraq, Libya, Cuba, North Korea, Syria and Sudan.

Fees for cancellation (*) for customer convenience are as follows:

	Catalog	Non-Catalog
For orders past earliest scheduled ship date:	95%	100%
For orders to be shipped within 1 month:	95%	100%
For orders to be shipped within 2 months:	50%	100%
For orders to be shipped within 3 months:	25%	85%
For orders to be shipped within 6 months:	5%	60%
For orders to be shipped in more than 6 mths:	0%	50%

(*) Cancellation charges based on earliest request of order ship date. To avoid cancellation charges, each line item may be rescheduled one time within 3 months of the original scheduled ship date. However, any cancellation request after the first rescheduling will be billed at 100% of the purchase order amount. These charges apply unless a model is non-cancellable, non-returnable (NCNR).

"Mini-Circuits is ISO 9001 Certified. This registration signifies that our products meet an internationally accepted set of quality standards."

THESE UNITS ARE DEFINED AS COMPONENTS AND DO NOT REQUIRE EMC APPROVAL FOLLOWING DIRECTIVE 89/336/EEC.

(I) The risk in the Goods will pass th the Buyer upon delivery but equitable and beneficial ownership shall remain with the Company until full payment has been

received for the goods (each order being considered as a whole). (II) If the Goods shall become constituents of or be converted into other products while subject to the Company's equitable and beneficial ownership, the Company shall have the equitable and beneficial ownership in such other products as if they were solely and simply the Goods, and accordingly paragraph (I) above shall as far as appropriate apply to such other products.

Due to fluctuations in inventory levels, RoHS compliant models may be substituted for standard non-RoHS compliant models unless we receive a written instruction from your company to the contrary. RoHS compliant models are clearly marked with a "+" suffix following the base model number. If your company has already sent an instruction, please ignore this statement. For individual RoHS compliant model details and Mini-Circuits' methodologies, assumptions and qualifications relating to RoHS compliance, please go to www.minicircuits.com and click on the "RoHS/Pb-free Program" button.
